

## Your ServiceNow, AI Partner for Employee & Customer workflow

### Supercharge Your ServiceNow Game with Astrica

At Astrica, we're all in on ServiceNow, 100% focused. As a dynamic, women-owned powerhouse with cutting-edge AI expertise, we're here to supercharge your ServiceNow experience.

### Why Astrica?

**Success Partners:** Your victory is our mission. We deliver excellence at every turn.

**Expert Edge:** With 10+ years of ServiceNow mastery, we speed up your results.

**Exceptional Care:** We go above and beyond, bringing unmatched dedication to your success.

Can your measure SN value?

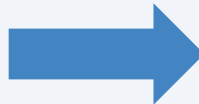

Your roadmap aligned with AI strategy?

Ready for your renewal?

### What's Ahead?

Being ready isn't about having more tools. It's about having the right partner.

You need to align your strategy with the technology you have and the technology you want

### Let's Go... Together!

You don't need more noise—you need a partner who listens, adapts, and delivers.

**That's Astrica.**

**Our Value Amplification Clinic is the right-sized solution to accelerate what you need to be ready.**

# Attain True Value from ServiceNow

In the **Value Amplification Clinic**, a six-week program, we will work with you to assess where you are and find the right blend of advisory aspects for your unique context, while delivering actionable steps for improvement followed by a sprint of development to begin positive change.

## AI Readiness

**Approach AI with confidence** in future success through our Readiness Assessment and AI Road mapping.

## User Experience

Provide **the best experience** to your end users through analysis and **UX Strategy**.

## Product Adoption

Get **more value** out of **existing licensing** through capability assessments and product roadmaps.

## Technical Health

**Lower risk** and **maintenance cost** through expert review of existing implementation.

## Org Maturity

Make **decisions easier** and **actions more efficient** through Governance and Operational Modeling.

## License Compliance

Rest easy knowing your **licensing** is **right-sized** for your needs.

## Working with Us

“The Astrica team was able to quickly align with us to understand our requirements and expected outcomes. What I appreciated most was how they brought forward insight and suggestions on how we get there and their engagement and responsiveness has been excellent throughout– SVP, Higher Education

“I wish I could work with them on everything! – Lead Product Owner, Health Insurer
